# ithaca guns- a complete line all made with the user in mind

Only at Ithaca are the fine-quality traditions of hand craftsmanship and modern manufacturing methods skillfully combined to produce guns of the greatest possible reliability and accuracy—whether our magnificent \$4,500 single-barrel trap gun, precision-built competition models, rifles of superb accuracy or the world's safest gun for young shooters at \$29.95.

Every model is hand finished. All metal parts are polished burr free. Every gun is actually mounted, fired and proof tested.

So whatever Ithaca model you choose, you know that, through more than 1,000 operations of hand craftsmanship and precision manufacturing, we made your gun with you in mind.

**8** MODEL 37 SUPER DELUXE DEERSLAYER \$149.95

All the features of the Model 37 Deluxe with "full-fancy" American walnut stocks and forend.

## ithaca-skb automatic shotgun

Outstanding value... Lightweight... Positive cross-bolt safety... Interchangeability of barrels... Automatic magazine cutoff for fast shell load change without fully unloading magazine.

**9** MODEL 300—12 GAUGE \$139.95

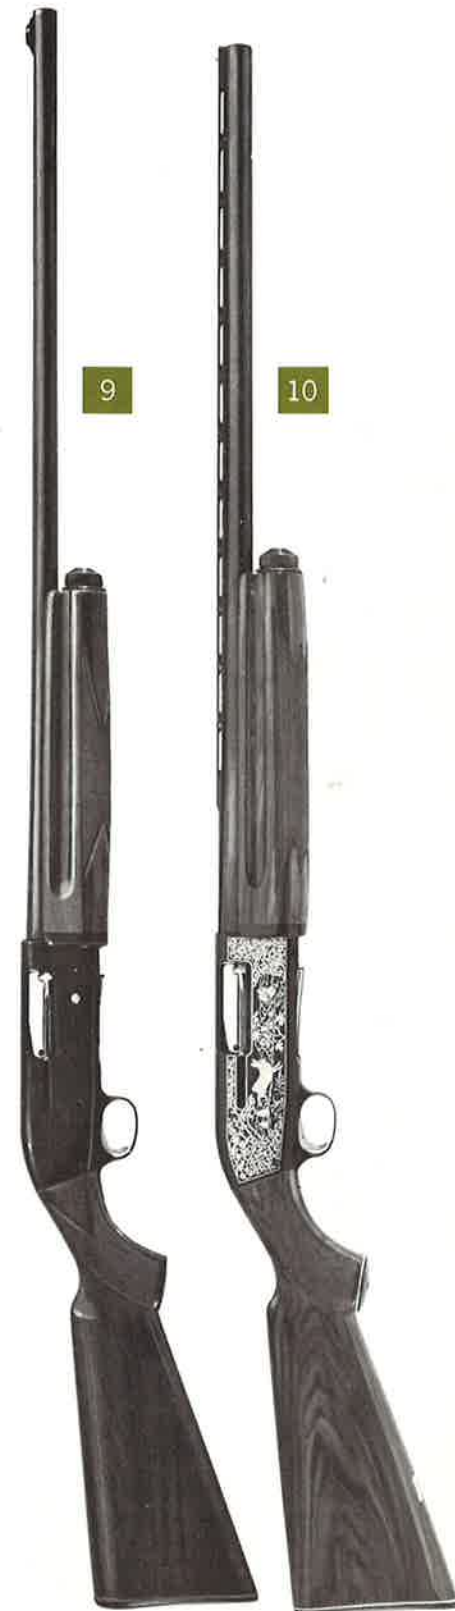

30" barrel (full choke), 28" barrel (Full & Modified), or 26" barrel (Imp. Cylinder).

MODEL 300—20 GAUGE (not shown) \$139.95

Lightweight, balanced gun. Exclusive design permits quick, easy change from 2¾" to 3" load without special parts. Recoil system needs no lubrication.

**10** MODEL 900 \$169.95

Available in 12 ga. 2¾" or 20 ga. 3". Ventilated rib; game scene etched and gold filled on receiver. 30" barrel (full choke), 28" barrel (Full & Modified), 26" barrel (Imp. Cylinder).

### ithaca-skb double guns

Ithaca Raybar sight "lights" the way to the target. Chrome-lined barrel. Selective single trigger. Even pull for both barrels. Firing always in sequence. Hand crafted and hand fitted. Hand-checked stocks and forends. Fine scroll engraving on receiver. Every gun tested to greatly exceed the power of commercial ammunition. All models: 12 gauge, 2 $\frac{3}{4}$ " chambers; 20 gauge, 3" chambers.

**11** 100 GRADE SIDE-BY-SIDE \$169.95

Perfectly balanced lightweight gun for field shooting. Double locking lugs and automatic safety.

**12** 200E GRADE SIDE-BY-SIDE \$219.95

Deluxe field gun with beavertail forend, automatic selective ejectors, automatic safety, gold nameplate and trigger; bead middle sight, white spacers.

**13** 200E SKEET MODEL \$225.00

Deluxe skeet gun with features of 200E Grade above plus recoil pad and nonautomatic safety.

**14** 500 GRADE OVER-AND-UNDER \$239.95

Low-profile field gun with gold-plated trigger; automatic selective ejectors, ventilated rib and nonautomatic safety.

**15** 600 TRAP OVER-AND-UNDER \$295.00

Low-profile design with automatic selective ejectors, nonautomatic safety, double locking lugs, Monte Carlo stock, gold-plated nameplate and trigger, ventilated rib, bead middle sight.

**16** 600 SKEET OVER-AND-UNDER \$289.95

Low-profile design and the outstanding performance features of the 600 Trap Over-and-Under but bored for superlative skeet performance.

**17** 600 FIELD OVER-AND-UNDER \$289.95

Every fine feature of the 600 line in a field model. Standard butt plate, white spacer. Wide selection of chokes and barrel lengths.

**18** 600 MAGNUM OVER-AND-UNDER \$283.95

Specially designed for goose and duck hunting. Excellent balance and low profile mean fast point, fine handling. 12 gauge 3" only.

**19** 700 TRAP OVER-AND-UNDER, VENTILATED RIB \$395.00

Quality craftsmanship and superlative performance features. Ventilated rib provides perfect sighting plane. Deluxe hand engraving on receiver. Select walnut stocks, oil finished. 12 gauge only.

**20** 700 SKEET OVER-AND-UNDER \$395.00

Companion to the 700 Trap Gun in a quality skeet version.
